2 — You are My Sunshine

1. The other night dear, as I lay sleeping
I dreamed I held you in my arms.
But when I awoke, dear, I was mistaken
So I hung my head and I cried.

Ch: You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

2. I'll always love you and make you happy,
If you will only say the same.
But if you leave me and love another,
You'll regret it all some day.
3. You told me once, dear, you really loved me
And no one else could come between.
But now you've left me and love another,
You have shattered all of my dreams.
4. In all my dreams, dear, you seem to leave me
When I awake my poor heart pains.
So when you come back and make me happy
I'll forgive you dear, I'll take the blame.

3 — Sloop John B

1. We come on the sloop John B
My grandfather and me
Around Nassau town we did roam
Drinking all night, got into a fight
Well I feel so broke up I want to go home

See how the mainsail sets
Call for the captain ashore let me go home,
Let me go home, I wanna go home, yeah yeah
Well I feel so broke up I wanna go home

And broke in the captain's trunk
The constable had to come and take him away
Sheriff John Stone, why don't you leave me alone, yeah yeah
Well I feel so broke up I wanna go home

3. The poor cook he caught the fits
And threw away all my grits
And then he took and he ate up all of my corn
Let me go home, why don't they let me go home
This is the worst trip I've ever been on

4 — Five Foot Two

1. Five foot two, eyes of blue, but, oh, what those five feet could do!
Has anybody seen my gal?
Turned up nose, turned down hose, flapper, yes sir, one of those!
Has anybody seen my gal?
Now if you run into a five foot two cov. . . ered in furs,
Diamond rings, and all those things, betcha life it isn't her!
But could she love, could she woo, could she, could she,
could she cool!
Has anybody seen my gal?

5 — Wild Rover

1. I've been a wild rover for many's the year
I've spent all me money on whiskey and beer
But now I'm returning with gold in great store

No, nay never no more
Will I play the wild rover,
No never no more

And I told the landlady me money was spent
I asked her for credit, she answered me nay
Such a custom as yours I can have any day

And the landlady's eyes opened wide with delight
She says "I have whiskeys and wines of the best
And the words that I spoke were only in jest"
4. I'll go home to my parents, confess what I've done
And I'll ask them to pardon their prodigal son
And, when they forgive me as oft times before
I never will play the wild rover no more

6 — King Of The Road

1. Trailers for sale or rent, rooms to let... fifty cents.
No phone, no pool, no pets; I ain't got no cigarettes
Ah, but... two hours of pushin' broom buys an eight by twelve four-bit
room
I'm a man of means by no means
King of the roa... d.

2. Third boxcar, midnight train, destination... Bangor, Maine.
Old worn out suit and shoes, I don't pay no union dues,
I smoke old stogies I have found, short, but not too big around
I'm a man of means by no means
King of the roa... d.

3. I know every engineer on every train
All of their children, and all of their names
And every handout in every town
And every lock that ain't locked when no one's around

4. I sing trailers for sale or rent, rooms to let... fifty cents.
No phone, no pool, no pets; I ain't got no cigarettes
Ah, but... two hours of pushin' broom buys an eight by twelve four-bit
room
I'm a man of means by no means
King of the road.

7 — Big Rock Candy Mountain

1. One evening as the sun went down and the jungle fire was burning
Down the track came a hobo hiking, and he said boys
 I'm not turning
I'm headin' for a land that's far away beside the crystal fountains.
So come with me we'll go and see the Big Rock Candy Mountains
2. In the Big Rock Candy Mountains there's a land that's
 fair and bright
Where the handouts grow on bushes and you sleep out every night
Where the boxcars are all empty and the sun shines every day
On the birds and the bees and the cigarette trees,
The lemonade springs where the bluebird sings
In the Big Rock Candy Mountains
3. In the Big Rock Candy Mountains all the cops have wooden legs
And the bulldogs all have rubber teeth and the hens lay
 soft boiled eggs
The farmer's trees are full of fruit and the barns are full of hay
Oh, I'm bound to go where there ain't no snow
Where the rain don't fall and the wind don't blow
In the Big Rock Candy Mountains
4. In the Big Rock Candy Mountains you never change your socks
And the little streams of alcohol come a-trickling down the rocks
The brakemen have to tip their hats and the railroad bulls are blind
There's a lake of stew and of whiskey too
You can paddle all around 'em in a big canoe
In the Big Rock Candy Mountains
5. In the Big Rock Candy Mountains the jails are made of tin
And you can walk right out again as soon as you are in
There ain't no short handled shovels, no axes saws or picks
I'm a going to stay where you sleep all day
Where they hung the jerk that invented work
In the Big Rock Candy Mountains
6. ~~There ain't no short handled shovels, no axes saws or picks~~
~~I'm a going to stay where you sleep all day~~
I'll see you all this coming fall in the Big Rock Candy Mountains

While I am sleeping in my grave
While he is sleeping in his grave

13 — Ghost Riders in the Sky

1. An old cowpoke went riding out one hot and windy day,
Upon a ridge he rested as he went along his way,
When all at once a mighty herd of red-eyed cows he saw,
A-plowin' through the ragged skies, and up the cloudy draw.

Ch: Yip-i-ya-o,
Yip-i-ya-a,
Ghost riders in the sky.

2. Their brands were still on fire and their hoofs were made of steel.
Their horns were black and shiny and their hot breath he could feel.
A bolt of fear went through him as they thundered through the sky.
For he saw the riders comin' hard, and he heard their mournful cry.
3. Their faces gaunt, their eyes were blurred, their shirts all soaked with
sweat,
He's riding hard to catch that herd, but they ain't caught him yet.
They've got to ride forevermore on the range up in the sky,
On horses snorting fire and as they ride, I hear them cry.
4. And as the riders loped on by he heard one call his name,
If you want to save your soul from hell a-ridin' on our range,

A miners lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

That I should have been home yesterday, yesterday

She told me she worked in the morning and started to laugh,
I told her I didn't, and crawled off to sleep in the bath-~~

3. I sat on her rug, biding my time, drinking her wine,

1. You can dance every dance with the guy
Who gives you the eye, let him hold you tight

But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

2. Oh I know that the music's fine
Like sparklin' wine, go and have your fun

Give me the power of man's red flower, so I can be like you

1. I've heard there was a secret chord
That David played and it pleased the Lord

Hallelujah, hallelujah

Speaking words of wisdom, let it be

Ch: Let it be, let it be, let it be, yeh, let it be,
whisper words of wisdom, let it be

There will be an answer, let it be

There will be an answer, let it be

there will be an answer, let it be

3. And when the night is cloudy there is still a light that shines on me

whisper words of wisdom, let it be
Let it be, let it be, let it be, yeh, let it be,
whisper words of wisdom, let it be

Want you near me

All I needed for another day
And all I ever knew
Only you

And I need you
Listen to the words that you say, it's getting harder to stay

Can't take no more
Wonder if you'll understand, it's just the touch of your hand
Behind a closed door

Ch: All around my hat I will wear the green willow
And all around my hat, for a twelve-month and a day
And if anyone should ask me, the reason why I'm wearing it
It's all for my true love, who's far, far, away

1. Fare thee well cold winter and fare thee well, cold frost
Nothing have I gained, but my own true love I've lost
I'll sing and I'll be merry when fair occasion I do see
He's a false deluding young man, let him go, farewell he
2. Now the other night he brought me a fine diamond ring
but he thought to deprive me of a far finer thing
But I being careful, like lovers ought to be
He's a false deluding young man, let him go, farewell he
3. Take a quarter pound of reason, and a half pound of sense
A small sprig of time, and a pinch of prudence
Now mix then all together and then you will plainly see
He's a false deluding young man, let him go, farewell he

Flickering embers grow higher and higher
As they carry me back to the Mull of Kintyre.

1. In a neat little town they call Belfast,
Apprenticed to trade I was bound
And many an hour's sweet happiness

A sad misfortune came over me
Which caused me to stray from the land
Far away from me friends and relations
Betrayed by the black velvet band

Ch: Her eyes they shone like diamonds,
I thought her the queen of the land
And her hair hung over her shoulders
tied up with a black velvet band.

2. I took a stroll down Broadway,
meaning not long for to stray
When who should I meet but this pretty fair maid
Come a-traipsing along the highway
She was so fair and handsome,
Her neck it was just like a swan's
And her hair hung over her shoulders
Tied up with a black velvet band.

3. I took a stroll with this pretty fair maid
And a gentleman passing us by
Well I knew that she meant the doing of him
By the look in her roguish black eye
A gold watch she took from his pocket
And placed it right into my hand
And the very next thing that I said was
'Bad cess to the black velvet band'

4. Before the judge and the jury
next morning I had to appear

The judge he said to me 'Young man,
Your case it is proven clear
You'll serve seven years penal servitude,
To be spent far away from the land
Far away from your friends and relations
Betrayed by the black velvet band'

5. Come all you jolly young fellows,
A warning take by me
When you are out on the town be boys,
beware of the pretty colleens

'Til you are unable to stand
And the very next thing that you'll know is,
You've landed in Van Dieman's land

And what my motives are.

58 — The Galaxy Song

1. Just remember that you're standing on a planet that's evolving,
revolving at nine-hundred miles an hour.
That's orbiting at nineteen miles a second, so it's reckoned,
a sun that is the source of all our power.
The sun and you and me, and all the stars that we can see
are moving at a million miles a day
in an outer spiral arm at forty thousand miles an hour
of the galaxy we call the Milky Way.
2. Our galaxy itself contains a hundred billion stars,
it's a hundred thousand light-years side to side,
it bulges in the middle, sixteen thousand light-years thick,
but out by us, it's just three thousand light-years wide.
We're thirty thousand light-years from galactic central point
We go round every two hundred million years,
and our galaxy is only one of millions of billions in this
amazing and expanding Universe!
3. The universe itself keeps on expanding and expanding
in all of the directions it can whiz,
as fast as it can go, the speed of light, y'know,
twelve million miles a minute, and that's the fastest speed there is.
So remember when you're feeling very small and insecure
how amazingly unlikely is your birth,
and pray that there's intelligent life somewhere up in space,
'cause there's bugger-all down here on Earth.

59 — YMCA

1. Young man, there's no need to feel down

You can stay there, and I'm sure you will find
Many ways to have a good time.

2. Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams,
But you've got to know this one thing!
No man does it all by himself
I said, young man, put your pride on the shelf,
And just go there, to the YMCA
I'm sure they can help you today.

3. Young man, I was once in your shoes
I said, I was down and out with the blues
I felt no man cared if I were alive
I felt the whole world was so tight
That's when someone came up to me,
And said, young man, take a walk up the street
There's a place there called the YMCA
They can start you back on your way

1. Wise men say
Only fools rush in
But I can't help
Falling in love with you
Shall I stay

Darling so it goes
Some things are meant to be

Take my whole life too
For I can't help
Falling in love with you

Surely to the sea

For I can't help
Falling in love with you

One hundred men will test today
But only three win the Green Beret.

Trained in combat, hand to hand
Men who fight by night and day
Courage speaks from the Green Beret.

62 — Have A Word With Ade

1. Modern life is fraught with difficulty, first one problem,
then the next.
Sometimes we don't know which way to turn, we end up harrassed and
vexed.
Sometimes through life's minefield, a friend can help you
find your way.
Ask anybody round here, they'll tell you have a word with Ade.
Let's say you want to change your motor, or buy a fancy new bike.
He'll fix you up with a "Top of the Range", at a real bargain price.
And if you want a ukulele, and don't know how
the bloody thing is played.
He's even got his own fire brigade,
you want to have a word with Ade.

Ch: He'll put you right if anybody can, he's the man with
the master plan.
From a guitar to a garbage can, Ade's yer man.
You know he's a seventh dan, can he fix it? 'course he can.
From a ferret to a frying pan, Ade's yer man.

2. You know my mum had srotulitis? They told her there's no cure.
Ade looked it up on the internet, he put her right that's for sure.
And if you want to know the cricket scores, or the words to every song by
Slade.
Or the rules for basketball, you want to have a word with Ade.
Take me, I used to be a bachelor, I just couldn't find Miss Right.
And believe me, I looked everywhere, each and every night.
I was just about to call off the search, when my bacon was saved.
He fixed me up with the girl of my dreams,
a friend of a friend of a friend of Ade's.

64 — Hotel California

1. On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim,
 I had to stop for the night
There she stood in the doorway, I heard the mission bell
And I was thinking to myself:
 this could be heaven or this could be hell
Then she lit up a candle and she showed me the way
There were voices down the corridor; I thought I heard them say:
Ch: “Welcome to the Hotel California
Such a lovely place (such a lovely place), such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year), you can find it here”
2. Her mind is Tiffany twisted, she got the Mercedes Benz
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget
So I called up the captain, “Please bring me my wine”, He said
“We haven’t had that spirit here since nineteen sixty-nine”
And still those voices are calling from far away
Wake you up in the middle of the night, just to hear them say:
Ch: “Welcome to the Hotel California
Such a lovely place (such a lovely place), such a lovely face
They livin’ it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis”
3. Mirrors on the ceiling, the pink champagne on ice, and she said
“We are all just prisoners here, of our own device”
And in the master’s chambers, they gathered for the feast
They stab it with their steely knives
 but they just can’t kill the beast
Last thing I remember, I was running for the door
I had to find the passage back to the place I was before
“Relax,” said the night man, “We are programmed to receive
You can check out any time you like, but you can never leave”
Ch: “Welcome to the Hotel California
Such a lovely place (such a lovely place), such a lovely face
They livin’ it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis”

1. Everybody's doin' a brand-new dance, now
(Come on baby, do the Locomotion)
I know you'll get to like it if you give it a chance now

It's easier than learning your A-B-C's

Ch: So come on, come on and do the Locomotion with me
You gotta swing your hips, now Come on, baby.
Jump up Jump back Well, I think you've got the knack.

2. Now that you can do it, let's make a chain, now
(Come on baby, do the Locomotion)
A chug-a chug-a motion like a railroad train, now.

Do it nice and easy, now, don't lose control,
A little bit of rhythm and a lot of soul.

3. Move around the floor in a Locomotion.
(Come on baby, do the Locomotion)
Do it holding hands if you get the notion.

There's never been a dance that's so easy to do.
It even makes you happy when you're feeling blue.

Ch: Janine, Janine, Janine, Janine

I'm begging of you please don't take my man

Janine, Janine, Janine, Janine

Please don't take him just because you can

1. Your beauty is beyond compare with flaming locks of auburn hair
With ivory skin and eyes of emerald green.
Your smile is like a breath of spring
 your voice is soft like summer rain
and I can not compete with you Janine.
He talks about you in his sleep and there's nothing I can do to keep
from crying when he calls your name Janine.
Now I can easily understand how you could easily take my man
but you don't know what he means to me Janine.
2. You can have your choice of men but I could never love again
he's the only one for me Janine.
I had to have this talk with you, my happiness depends on you
and whatever you decide to do Janine.

 though the streams are swollen,
 Keep them doggies rollin', Rawhide!
 Through rain and wind and weather,
 Hell bent for leather,
 Wishin' my gal was by my side.
 All the things I'm missin',
 Good vittles, love, and kissin',
 are waiting at the end of my ride.

Ch: Move 'em out (head 'em up)
 Head 'em up (move 'em on)
 Move 'em on (head 'em up)

71 — We Are Going To Be Friends

1. Fall is here, hear the yell, back to school, ring the bell
Brand new shoes, walking blues, climb the fence, books and pens
I can tell that we are gonna be friends
I can tell that we are gonna be friends

2. Walk with me, Suzy-Lee, through the park, and by the tree
We will rest upon the ground and look at all the bugs we've found
Safely walk to school without a sound
Safely walk to school without a sound

3. Well here we are, no one else, we walked to school all by ourselves
There's dirt on our uniforms, from chasing all the ants and worms
We clean up and now it's time to learn
We clean up and now it's time to learn

4. Numbers, letters, learn to spell, nouns, and books, and show and tell
At playtime we will throw the ball, back to class, through the hall
Teacher marks our height against the wall
Teacher marks our height against the wall

	We don't notice anything
	We sit side by side in every class
	Teacher thinks that I sound funny,
	but she likes the way you sing

go through my head
About the bugs and alphabet, and when I wake t'morrow I'll bet
That you and I will walk together again
'Cause I can tell that we are going to be friends

1. Deep down in Louisiana close to New Orleans
Way back up in the woods among the evergreens
There stood a log cabin made of earth and wood
Where lived a country boy named Johnny B Goode
Who never ever learned to read or write so well
But he could play the guitar just like ringin' a bell

Ch: Go! Go! Go, Johnny go! Go! Go!
Go, Johnny, Go! Go! Go!
Go, Johnny, Go! Go! Go!
Go, Johnny, Go! Go! Go! Johnny B. Goode

2. He used to carry his guitar in a gunny sack
Or sit beneath the tree by the railroad track
Oh an engineer could see him sitting in the shade
Strummin' to the rhythm that the drivers made
People passing by they'd stop and say
Oh my but that little country boy can play

3. His mother told him some day you will be a man
And you will be the leader of a big old band
Many people coming from miles around
And hear you play your music till the sun goes down
Maybe someday your name gonna be in lights
Sayin' Johnny be Goode tonight

You're going to rise up singing.
Then you'll spread your wings,
And you'll take to the sky.

Standing by.

By the coop he rested as he went along his way,
When all at once a rotten egg hit him in the eye,
It was the sight he dreaded; Ghost Chickens in the Sky!

Ch: Bawk, Bawk, Bawk, BAWWWWK!
Bawk, Bawk, Bawk, BAWWWWK!
Ghost Chickens in the Sky!

Working for the colonel for thirty years or more.
Killing all those chickens, and sending them to fry.
Now they want revenge... Ghost Chickens in the Sky!
3. Their beaks were black and shiny, their eyes were burning red.
They had no meat or feathers; these chickens were dead!
They picked the farmer up, and he died by the claw.
They cooked him 'Extra Crispy', and they ate him with coleslaw!
